Virtually There

Virtually There provides a convenient way for travelers to view all their important travel information in one Web-based location – simplifying the travel experience.

Via the Web interface, users can view and print:

- eItinerary – available 24-hours after travel on last segment
- eTicket Receipt – available 13 months after ticketed
- eInvoice – available 90 days after ticketed

Along with this important travel and expense information, travelers can access:

- Travel alerts
- Flight notification and tracking
- Visa and passport information
- Destination content
- Currency converter

Virtually There provides travel information when and where travelers need it by making the information accessible from the Internet, a Blackberry or PDA. The site also enables adding travel data directly to a desktop calendar.
